## YOU'VE RECENTLY RECEIVED A MAILING FROM

Allamakee-Clayton Electric Cooperative has selected HomeServe as the trusted provider of exterior electrical system coverage in your area. HomeServe's authorized, locally-based network of contractors will promptly repair your covered electrical components, including the weatherhead, insulator, riser, meter base, and service entrance conductor in the event of a breakdown, with up to \$5,000 annually with multiple service calls (a 30-day waiting period includes a money-back guarantee) for covered repairs.

While exterior electrical system protection is not required, you can now protect yourself against potentially sudden and significant out-of-pocket expenses. For the low cost of only \$6.99 per month, you can avoid the costs of potentially hundreds of

dollars if your electrical components need repair, plus enjoy greater peace of mind as a homeowner. Complete the form you received in the mail, or contact HomeServe at 833-334-1874.

If you are a contractor and want HomeServe to list your business on their contractor list, contact HomeServe at 833-334-1874 or the Co-op at 888-788-1551.

HomeServe® knows the importance of stretching a dollar. So, they are dedicated to providing you with affordable ways to save money when an unexpected home emergency happens.

### Energy Efficiency Tip of the Month

This planting season, include energy efficiency in your landscaping plans. Adding shade trees around your home can reduce surrounding air temperatures as much as 6 degrees. To block heat from the sun, plant deciduous trees around the south side of your home. Deciduous trees provide excellent shade during the summer and lose their leaves in the fall and winter months, allowing sunlight to warm your home.

CALL 811**

before digging,  
building, planting  
or installing at  
*any* depth.

# National Lineworker Appreciation Day April 10

America's electric cooperatives designate the second Monday of April as National Lineworker Appreciation Day. On April 10, 2023, we will honor our lineworkers who work around the clock to do one thing: keep the lights on!

Allamakee-Clayton Electric Cooperative proudly recognizes our own lineworkers for the services they perform. They truly deserve this special day of recognition, and we thank them for their service.
