Keep Food Safe During and After a Power Outage

Refrigerated or frozen foods may not be safe to eat after a power outage. Use these tips to minimize food loss and reduce risk of illness.

4
Refrigerated food will last four hours. After four hours, place refrigerated foods in a cooler with ice.

24 OR 48

Food in a **half-full** freezer will last 24 hours. Food in a **full** freezer will last 48 hours.

Food Safety Tips

1. Keep refrigerator and freezer doors closed as much as possible.
2. Throw out any food with an unusual odor, color or texture.
3. Throw out perishable food in your refrigerator after four hours without power or a cold source (like a cooler with ice).

When in doubt, throw it out!

August is

BACK TO SCHOOL SAFETY MONTH

Stay alert!

Slow down and be alert in residential areas and near schools. Be especially watchful of kids in rural areas without sidewalks.

Energy Efficiency Tip of the Month

An easy way to save energy is to seal air leaks and holes where plumbing pipes run through walls in your home. You can also check wall-mounted cabinets for plumbing holes or air gaps in the back.

Fill any holes or gaps with spray foam. Wear protective gloves and use a damp rag for cleanup.

YOUR CONTACT INFORMATION IS VITAL TO RELIABLE ELECTRIC SERVICE

As people utilize cell phones more and eliminate their landlines, we find we no longer have valid phone numbers on record. As a result, we cannot contact members to give them important information about their electric service or bill or to notify them about scheduled outages.

We urge you to contact us with updated phone numbers so we can serve you better. Complete the information below and mail it with your payment, call us at 888-788-1551 or email acrec@acrec.coop.

Our goal is to provide you with safe and reliable electric service.

Please update my contact information for my ACEC account.

PROTECT YOURSELF FROM UTILITY SCAMS

- Never give personal information to an unknown visitor or caller.
- Demands for payment by gift card or cryptocurrency should immediately raise red flags.
- When in doubt, call your electric co-op directly.
