Show you care with RECare!

Each winter there are needy members of Allamakee-Clayton Electric Cooperative who cannot afford to heat their homes. RECare is a program that enables ACEC members to help their fellow members.

Donations to the RECare program make a real difference. Last year, Allamakee-Clayton members generously contributed more than \$9,919 to the RECare program. These contributions assisted 18 families with their REC bill. All RECare recipients of funding must be referred to the Cooperative by Northeast Iowa Community Action Corporation, Shepherd of the Hills, or a similar social services office.

If you'd like to help, the enclosed RECare card can be marked and returned showing your payment preference. If you previously authorized a monthly pledge, there is nothing further you need to do. Thank you.
